ROONKA PHOTO HUNT

- COURSE 1 -

PHOTO HUNT INSTRUCTIONS

Approximate time to complete: 30 minutes

Work together in small teams of 4 or 5. Each group will need an answer sheet, map and a pencil.

Use basic map reading and navigational skills to navigate your way around the property to match the photos. All the sites are located within eyesight of the circled area on the map.

Once you have matched a photo, write the photo ID (letter located on photo) on your answer sheet.

There are more photos than locations, so keep your eyes peeled for the red herring!

Make sure that your group is at the meeting place at the allotted time, regardless of whether you have finished.

Have fun!
