SURVIVAL PACKAGE

(Recommended years 5-10)

With everything from shelter building in the scrub and pioneering construction by the creek, to lighting fires with minimal equipment and cooking on lightweight stoves, this program has it all for an active, adventurous bunch of kids!

We'll take them right back to basics with a program that builds sequentially from fundamental to more advanced survival skills. All of the activities in this package are designed to facilitate team building, boost group morale, and of course, deliver a whole lot of fun with a healthy dose of challenge! Activities include:

2-NIGHT/3-DAY CAMP

SURVIVOR | CAMPCRAFT | LIGHTWEIGHT COOKING | ORIENTEERING & COMPASS NAVIGATION | TEAM CHALLENGES | LOW ROPES | WEB OF LIFE | RAFT BUILDING (terms 1 and 4) or BRIDGE BUILDING (terms 2 and 3)

1-NIGHT/2-DAY CAMP

SURVIVOR | LIGHTWEIGHT COOKING | ORIENTEERING | RAFT BUILDING (terms 1 and 4) or BRIDGE BUILDING (terms 2 and 3)

LIVING IN NATURE PACKAGE

(Recommended years R-10)

Students will explore the rich history and environment that Roonka has to offer. These activities will have your students getting hands-on in the world around them! Think: investigating bug life and water quality in our onsite billabong, learning to cook on an open fire, how to set up a campsite and navigate in the world around them.

With a balance of educationally focused and “just for fun” activities, our outdoor classroom is the perfect setting for students to learn how to live in nature. Activities include:
